ABOUT THE CREATORS:

Kyle Mewburn has had over 40 children's books published in nine countries. His work has won numerous awards, including the NZ Post Children's Book of the Year award for *Old Hu-Hu*. His other titles include *Kiss! Kiss! Yuck! Yuck!* (winner of Best Picture Book and Children's Choice at the 2008 NZ Post Book Awards), *Melu* (Children's Choice winner at the 2013 NZ Post Book Awards), as well as the popular series collaborations with Donovan Bixley, *Dinosaur Rescue* and *Dragon Knight*. Originally from Brisbane, Kyle lives with his wife in Central Otago.

Donovan Bixley is a talented artist with a range of styles. His work brings another dimension to Mewburn's text, often adding hilarious bits of his own to enhance the storyline. Donovan is the only artist to have ever had three books simultaneously shortlisted for the New Zealand Book Awards for Children and Young Adults (in 2015), with Scholastic titles *Dragon Knight: Fire!*, *Little Red Riding Hood ... Not Quite*, and his debut comic book/novel as author and illustrator *Monkey Boy*, which took out the top prize for junior fiction. Donovan lives in Taupo with his wife and three daughters.

EXPERIENCE HORIZON DIGITALLY

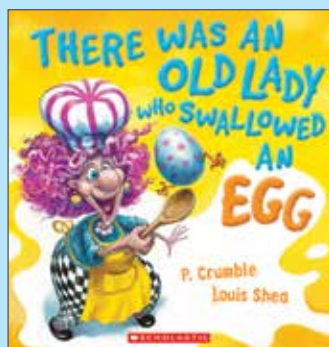

The *Horizon* digital experience is unlike any other Scholastic has released before, launching simultaneously for desktop and mobile.

The breakthrough game play, developed in collaboration with author and avid gamer Scott Westerfeld, puts readers on a race for survival within an ever-shifting landscape.

The game combines altered physics, the ability to build lifesaving gadgets, an eerie soundscape, and antigravity modes that allow players to fly — or, if they're not careful, crash.

SHORT

Short

Holly Goldberg Sloan

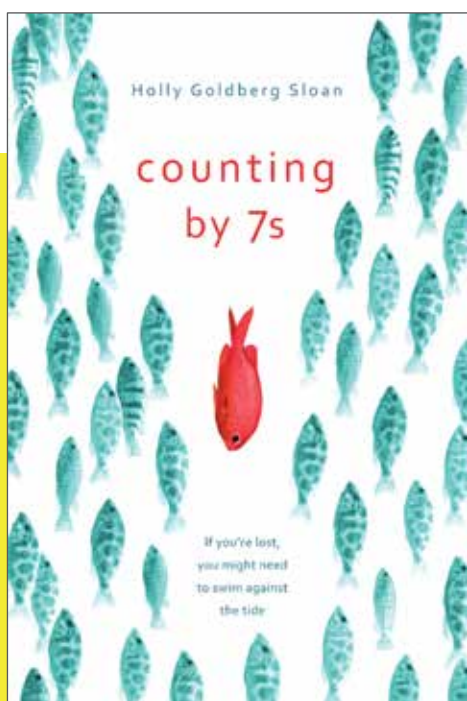

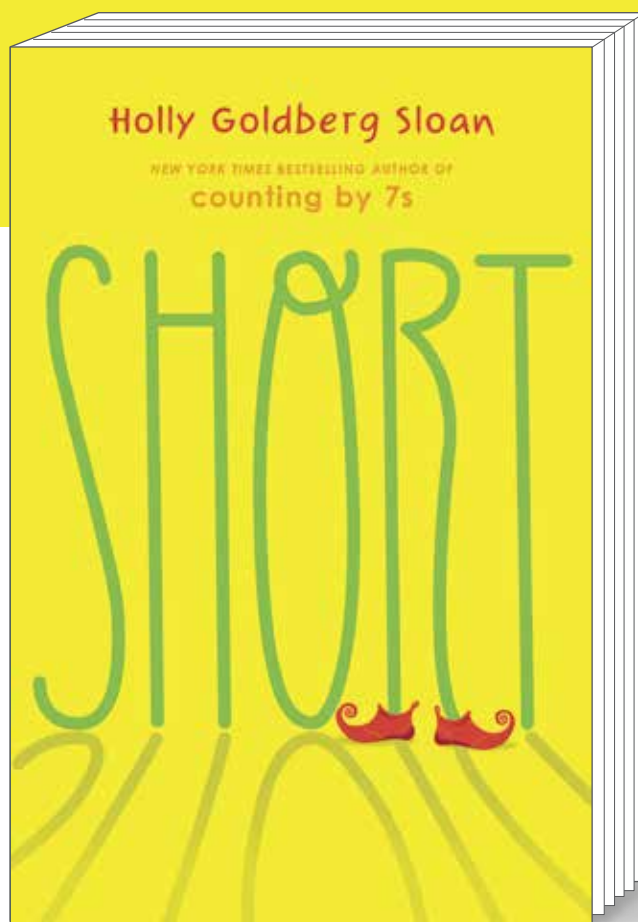

\$18.99

Julia is very short for her age, but by the end of the summer run of *The Wizard of Oz*, she'll realise how big she is inside, where it counts. She hasn't ever thought of herself as a performer, but when the wonderful director of Oz casts her as a Munchkin, she begins to see herself in a new way. As Julia becomes friendly with the poised and wise Olive — one of the adults with dwarfism who've joined the production's motley crew of Munchkins — and with her deeply artistic neighbour, Mrs Chang, Julia's own sense of self as an artist grows. Soon, she doesn't want to fade into the background — and it's a good thing, because her director has more big plans for Julia!

Sales Points:

- The much anticipated new book from the acclaimed author of *Counting by 7s*, Holly Goldberg Sloan
- An irresistible story of self-discovery and of the role models who forever change us
- Bubbling over with humour and tenderness

Counting By 7s

Holly Goldberg Sloan

RE-RELEASE

\$18.99

On the 7th day of the 7th month (is it any wonder I love the number?) my new parents drove north to a hospital 257 miles from their home, where they named me after a cold-climate tree and changed the world.

Counting by 7s is the story of Willow Chance, a 12-year-old girl who has been identified at an early age as gifted. Willow lives in Bakersfield, California, and comes home from school one day to the news that her parents have been killed in a traffic accident. What follows is Willow's search to find a place where she belongs.

Sales Points:

- A beautiful story about different kinds of families, about deep connections that can be formed between people from different walks of life and, above all, about surviving adversity

Diary of a Minecraft Zombie #4: Zombie Swap

Zack Zombie

\$10.99

Zombie is back from his SCARE-cation to the Jungle Biome with an unwanted souvenir... he's swapped bodies with his Human friend, Steve! Zombie just needs to survive in his Human body until the next full moon — but he has to get used to having eyeballs, a nose, and guts that don't hang out.

On top of all that, the biggest event of the year at Human School is coming up — a Minecraft death match, where winning makes you the most popular kid at school. Will an unlikely friendship show Zombie that it's what's on the inside — not just rotten guts, maggots and mould — that counts?

Poppy, Marcus, Dash, Dylan, and Azumi are all trapped within Shadow House, a sinister estate where past and present intertwine. As they fight to find a way out, the kids think the ghosts of the house are the greatest danger they face. Little do they know that it's the secrets they're each hiding that will prove even more lethal. They're going to have to come face to face with their fears if they stand any hope of escaping the house alive. Is there anyone or anything in the house they can trust? Or is all hope disappearing, too? Enter Shadow House . . . if you dare.

The Inventory #2: Gravity

Andy Briggs

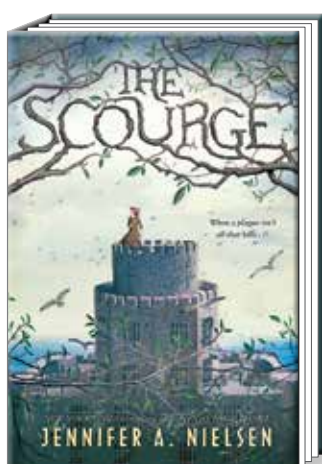

\$18.99

Hidden under a small suburban town, The Inventory is a collection of the most incredible technology the world is NOT ready for. Lot's dad is the mild-mannered curator of The Inventory, and he gets to see some CRAZY things. The Collector may not have escaped with the Iron Fist, but he is now armed with another super-destructive weapon — Newton's Arrow. The powerful cannon can send a gravity wave anywhere on Earth, and now it's being used to blackmail governments.

Sales Points:

The Scourge

Jennifer A Nielsen

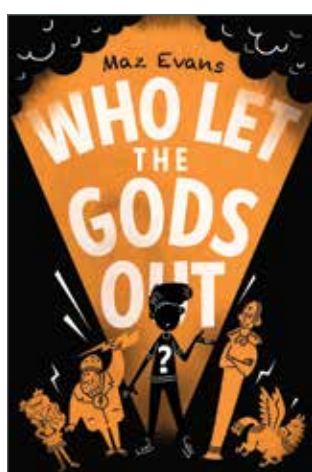

\$24.99

A new fantasy adventure from Jennifer Nielsen. A lethal plague sweeps through the land and Ani Mells is sent to Attic Island, a former prison turned refuge — and quarantine colony — for the ill. The Scourge's victims, Ani now among them, can only expect to live out short, painful lives there. However, Ani quickly discovers that she doesn't know the whole truth about the Scourge or the Colony. Ani means to uncover just what is actually going on. But will she and her friend Weevil survive the Scourge — and the governor's wardens — long enough to make their escape and expose the cruel plan?

Sales Points:

- Jen Nielsen is a star on the rise, who brings her signature prowess to this action-packed adventure
- Author of bestsellers *Mark of the Thief* and *The False Prince*
- *The Scourge* delivers twists and thrills aplenty in the story of a cruel plague and sinister governor
