Just how much difference can one little girl make?

Description

When Hollie Chips and her mum move to Puriti Road, Hollie is baffled by the way her neighbours all keep to themselves. But Hollie is a remarkable little girl, and it isn't long before she has charmed her way into their lives ... and when she discovers that a dastardly businessman is trying to buy up their houses to bulldoze them and build a dog food factory (which he has told them will be an orphanage!), the neighbours have to band together with Hollie and her mum to outwit him!
