The Little Yellow Digger

by Betty and Alan Gilderdale

Description

*In the next door garden
they were digging out a drain
when the weather turned quite nasty
and it poured and poured with rain.*

The little digger working next door gets stuck in the mud so the workmen bring in a bigger digger, but it too gets stuck in the mud, so they bring in a bigger, bigger digger.

The story was drawn after a real event, when one of Betty and Alan's grandchildren excitedly told them about a digger getting stuck in the mud next to their house and they had to bring a 'bigger digger' to help free it. The idea stayed with Betty and The Little Yellow Digger was eventually born.

Since then The Little Yellow Digger has been on many adventures.
