Translations

Survey students, parents and staff at your school to see how many languages are represented in your school community. Ask each different language speaker how to say 'Thank you' in their language and record your findings on the table below. You can also use the internet to fill in all the spaces. Don't forget to say 'Thank you' to your teachers this World Teachers' Day!

Language and country in which it is spoken	How do you say 'Thank you' in this language?	Is this language written in a different way to English? Write the characters or script in this column
English / New Zealand	THANK YOU	No
