

Easter Research Project

Name: _____ Class: _____

Playing games with eggs originated in pagan spring festivals and rituals. These practices were the basis for Easter games in many countries, such as throwing and catching in France, Easter egg hunts in Australia and even rolling eggs on the White House lawn in the USA!

What is the definition of pagan?

Choose one of the countries listed below and write a paragraph on how the people celebrate Easter. You may like to use the school library, teachers and the Internet to help you find information.
