Courage

Courage is the price that Life exacts for granting peace,

*The soul that knows it not, knows no release
From little things;*

*Knows not the livid loneliness of fear,
Nor mountain heights where bitter joy can hear
The sound of wings.*

*How can Life grant us boon of living, compensate
For dull grey ugliness and pregnant hate
Unless we dare?*

*The soul's dominion? Each time we make a choice, we pay
With courage to behold the restless day,
And count it fair.*
