Tour Antarctica!

2011 is the one hundredth anniversary of Roald Amundsen becoming the first person to reach the South Pole. To celebrate, you have the chance to be part of a team to organise a tour to retrace the steps of Amundsen and enjoy the special features of Antarctica.

1. Think of a slogan to promote the South Pole's 100th birthday, and write it here:

2. List six reasons why people should or shouldn't visit Antarctica:

3. Draw a mini poster showing what you think are the most important things about Antarctica.
