EMBASSY ROW THE THRILLING CONCLUSION

Centuries ago, the royal family of Adria was killed ... or so everyone thought. Now Grace Blakely knows the truth: there was one survivor, and that survivor's blood runs through her veins. This simple fact could cause a revolution — which is why some people will stop at nothing to keep it from coming to light. There is only one way for Grace to save herself, save her family, and save the boy she loves. She must outmanoeuvre her foes, cut through the web of lies that has surrounded her for years, and go back to the source of all her troubles, despite the risk. If she wins, she will inherit a throne. And if she loses, she will inherit the fate of all the dead princesses who came before her.

Sales Points:

- Third and FINAL THRILLING instalment of this series, where the twists and turns get even more shocking!
- *New York Times* best-selling author Ally Carter, best known for her Heist Society and Gallagher Girls series, continues her hugely successful series with the Scholastic family
- Over 20,000 copies sold of book #1 in ANZ alone!
- Nobody does international intrigue and clever suspense better than Ally Carter
- Expect an unstoppable adventure. Fully supported by an extensive super-lead marketing campaign and advertising

DIARY OF A MINECRAFT ZOMBIE

Diary of a Minecraft Zombie #3: When Nature Calls

Zack Zombie

\$10.99

Have you ever wondered what life is like for a Minecraft Zombie? Zack Zombie — just Zombie to his friends — has his boogers, stinky feet spray and dirty underwear packed because he is going on a *scare-cation* to Creepy World, the Overworld's best amusement park! The news gets better when Zombie finds out his friends Creepy, Skelee and Slimey are going too. But before Zombie and his buddies can go on Creepy World rides like the Head Ripper and the Zombie Thrasher, they've got a few weeks of Scare School left. And Zombie's worst DAYmares are coming true — his mum keeps telling him to dirty his room, the Killer Rabbit is back, AND his Zombie Karate test is coming up. Will Zombie make it to his scare-cation without losing his head ... literally?!

It's Not Me, It's You

Stephanie Kate Strohm

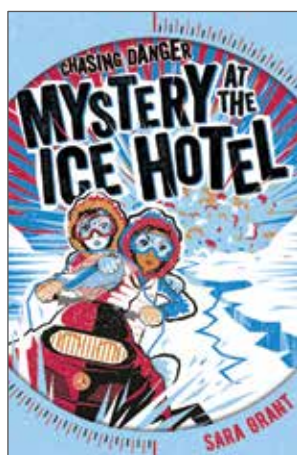

\$18.99

Avery Dennis is a high school senior and one of the most popular girls in her class. But a majorly public breakup with the guy she's been dating causes some disastrous waves. It is right before prom and Avery no longer has the perfect date. She runs the prom committee, how could she not show up with somebody? Post-breakup, Avery gets to thinking about all of the guys that she has ever dated. How come none of those relationships ever worked out? Could it be her fault? Avery decides to investigate. In history class she's learning about this method of record-keeping called 'oral history' and she has a report due. So Avery decides to go directly to the source. Avery tracks down all of the guys she's ever dated, and uses that information along with her friends, family, and even teachers' thoughts, to compile a total account of her dating history. Avery discovers some surprises about herself and the guys she's spent time with, just in time for prom night!

Sales Points:

Icarus Down

James Bow

\$18.99

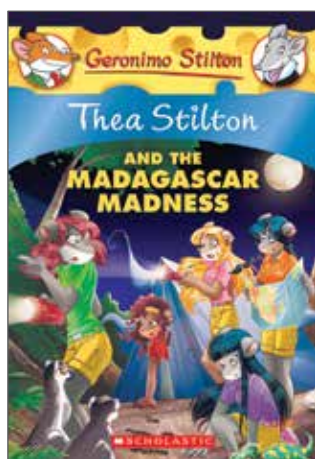

The city of Lapyx hangs suspended off deep chasms on a planet where the sun burns ruthlessly and monsters lurk in fog forests. The story passed down is that, years ago, life on Earth became impossible. On the way to a new home, the Icarus crash-landed and the colonists aboard were stranded because electromagnetic radiation wiped out all communications systems. Simon always believed the tale that the captains of the Icarus were heroes and saved humanity. But when his brother, Isaac, dies in what should have been a routine test flight, Simon starts to question the so-called truths he has been told his whole life. He discovers that the sabotage wreaking havoc on the city is not due to a fringe group, but comes from the top levels of the city's leadership. The city's head of security, Nathaniel Tal retaliates, forcing Simon to run for his life, straight into the deadly forest. There, in the land of monsters, he meets a formidable ally who leads him to a devastating revelation. Simon knows he must get back to the city and confront Tal. But will it be too late to right the wrongs of the past?

Sting

Jude Watson

\$21.99

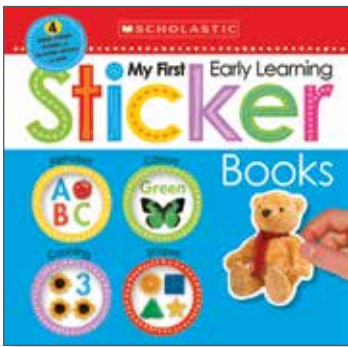

Why is March McQuin dangling upside-down twenty feet above a stone floor in the middle of the night, instead of tucked in bed like a regular kid? Along with his twin sister, Jules, he's set on stealing a set of stunning diamonds. It should have been an easy job, in and out. Except another thief got there first. March and Jules are lucky to escape with their lives, and one measly stone. Now the botched heist has created a world of trouble. The stone they grabbed was the Morning Star, one of a trio of famous sapphires, and it's cursed. The theft puts the twins and their friends in the crosshairs of Interpol, the FBI, and a vicious adult gang of criminals. And worst of all, the only way to break the curse and set everything to rights is by pulling off two more impossible heists ... and stealing the other two sapphires in the set.

Who is the mysterious little droid and whose side is he on? Is he defending Ninjago or helping its enemies? It's probably all down to his faulty software, but you must be vigilant to spot him as he's constantly changing sides ... In this book you'll find funny, action-packed scenes from the amazing world of LEGO Ninjago. Search for the crazy Samurai-droid on every page, spot the differences, then look out for lots of other cool ninja stuff. This is the perfect book for getting to know everything about the awesome world of Ninjago!

Assassin's Creed: Last Descendants #2: Tomb of the Khan

Matthew Kirby

\$21.99

Last Descendants #2 picks up weeks after the events of the first book. There are still two pieces of the Trident of Eden — an ancient and powerful relic long considered a legend — to find, and both Owen and the group of other teens are determined not to repeat their mistakes. The next piece is said to have been buried with Mongol Warlord Genghis Khan, whose tomb has never been found. Now the teens on either side of the conflict will have to go deep into simulations in war-torn Mongolian China in a race against time to discover the next piece.
