

Gnome Tunic

Supplies*:

- Extra large blue T-shirt
- Black faux leather
- Scissors
- Yellow felt
- Large white buttons
- Hot glue gun

Directions:

1. Cut a thick belt out of black faux leather. Hot glue the belt around the middle of the T-shirt.
2. Cut a square belt buckle out of yellow felt. Hot glue it to the center of the black belt on the front of the T-shirt.
3. Hot glue three large white buttons to the front of the T-shirt.
4. Purchase or make a gnome hat and beard out of felt to wear with the completed tunic.

*Remember, these are only suggestions. This project should be fun and creative, so use supplies you have on hand for substitutions.
