

# Scroll Invitations

## Supplies\*:

- Printer
- Tan copy paper
- Scissors
- Green cardstock
- Hole punch
- Marker
- Twine

## Directions:

1. Fill out the pdf invitation form fields with your activity information. Print the invitations onto copy paper.
2. Cut the edges of the invitations, creating a distressed look.
3. Cut leaf shapes out of green cardstock. Hole punch through one of the ends of the leaves.
4. Write the faculty members' names on the leaves.
5. Thread twine through the leaves, roll the invitations into a scroll, and tie off the scrolls in the middle.

\*Remember, these are only suggestions.  
This project should be fun and creative, so use supplies you have on hand for substitutions.
