

Gnome Bowling

Supplies*:

- Six 2-liter bottles
- White spray paint
- Paint (assorted colors)
- Paint brushes
- Gravel
- Long strip of green felt
- Large ball

Directions:

1. Remove the labels from and clean six empty, 2-liter bottles.
2. Spray paint the entire bottles white. Allow to dry.
3. Paint the bottles to look like gnomes. Allow to dry.
4. Fill the bottom of each bottle with a small amount of gravel, weighting the bottoms down.
5. Arrange the bottles in a triangular formation on a strip of green felt on the floor to play.

*Remember, these are only suggestions. This project should be fun and creative, so use supplies you have on hand for substitutions.
