

Plastic Bowl Toadstool

Supplies*:

- Plastic bowl
- Paint brushes
- Red paint
- White paint
- Large cardboard tube
- Utility knife

Directions:

1. Flip a plastic bowl upside down. Paint the bowl red.
2. Paint white dots all over the red bowl.
3. Carefully cut a large cardboard tube down to about 2' tall with a utility knife. *(For safety purposes, we recommend wearing leather gloves when using the utility knife. Never leave the utility knife where children can pick it up.)*
4. Paint the cardboard tube white.
5. Stand the tube up and place the bowl on top of it, forming the toadstool.

*Remember, these are only suggestions. This project should be fun and creative, so use supplies you have on hand for substitutions.
