

Enchanted Forest Photo Op Frame

Supplies:

- Printer
- White multipurpose printer paper
- Scissors
- Photos
- Transparent tape

Directions:

1. Print out frames on page 2 and cut out.
2. Cut the center of the frames out.
3. Tape photos to back of frames and trim off any excess photo material.

* Remember, these are only suggestions.
This project should be fun and creative, so
use supplies you have on hand for substitutions.
