

Enchanted Forest Book Fair Entrance Window

Supplies:

- Yellow poster board
- Meter stick
- Pencil
- Scissors
- Brown paper roll
- Glue
- Pencil
- Stapler
- Spray adhesive

Directions:

1. Draw four rectangular shapes on yellow poster board for window panes. Cut out.
2. Make a cross shape with two strips of brown paper and glue to the window pane centers, creating the wooden frames.
3. Cover the edges of window panes with strips of crinkled brown paper, completing the outer frames.
4. Attach the windows to the tree trunk with staples and spray adhesive.

* Remember, these are only suggestions. This project should be fun and creative, so use supplies you have on hand for substitutions.
