

FLYING SAUCER DANGLERS

Supplies*:

- Plastic or paper plates
- Plastic or paper bowls
- White craft glue
- Silver spray paint

Directions:

1. Spray paint the plates and bowls silver and let them dry. It may take several coats for good coverage.
2. Glue two plates together with plate bottoms facing out.
3. Bend open a paper clip so that it looks like an “L.” Slide the open end of the paper clip into a small hole in the bottom of the bowl. Tape to secure.
4. Glue the bowl to the top of the joined plates. Let dry.
5. Tie a length of fishing line to the paper clip and suspend the saucer from the ceiling.
