

ALIEN TOSS GAME

Supplies*:

- Cardboard cement tube form (found at hardware store)
- Utility knife
- Silver duct tape
- 3 pieces of white foam board
- Red and silver paint
- Paintbrushes
- Red construction paper
- 3-4 rubber squishy balls
- Googly eyes
- Hot glue gun and glue sticks
- Paper plate
- Black marker
- “Alien Toss” sign (printed from page 2 of this PDF)

Directions:

1. Paint the cement tube form red and the white foam board silver. Let dry.
2. Using a paper plate as a guide, draw 3 circles onto the tube and carefully cut them out using a utility knife. (For safety purposes, we recommend wearing leather gloves when using the utility knife. Never leave the utility knife where children can pick it up.)
3. Cut the silver foam boards into triangular shaped rocket legs. Attach to the rocket tube with hot glue and silver duct tape.
4. Using red construction paper, create a cone shape, taping and trimming as necessary. Affix cone to the rocket with duct tape.
5. Cover the edges of the circles cut into the rocket with silver duct tape.
6. Hot glue googly eyes onto the rubber squish balls to make them into aliens for tossing.
7. Post the “Alien Toss” sign (printed from page 2 of these instructions) to attract customers.

**Remember, these are only suggestions. This game should be fun and creative, so use whatever supplies you have on-hand for substitutions..*

Alien Toss

**Get two aliens in the rocket
to win a prize!**
