

Deluxe Rainbow Fraction® Squares

Use the following printable pages as flash cards or for any other type of math practice, in tandem with Deluxe Rainbow Fraction® products.

Directions: Print out and fold each page in half along the dotted line to create double-sided fraction flash cards. Can you identify the fractions by looking only at the images? Refer to the written fractions on the reverse sides to check your answers.

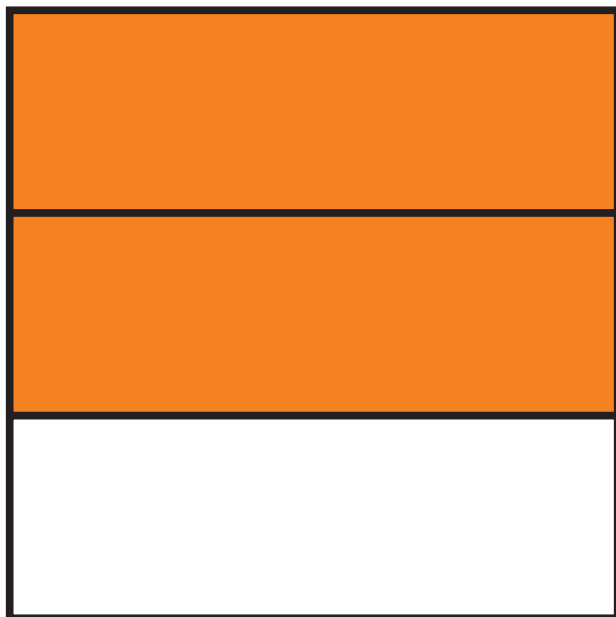

$\frac{1}{2}$
one half

$\frac{1}{3}$
one-third

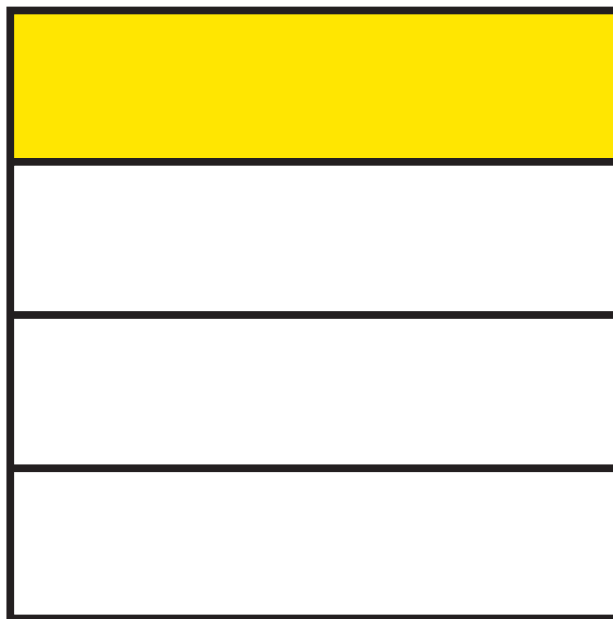

$\frac{2}{3}$
two-thirds
